

U.S. Patent Appln. Serial No. 09/800,997
Response to Restriction Requirement
October 12, 2004

REMARKS

The Examiner has required restriction to one of the following inventions pursuant to 35 U.S.C. § 121:

Group I. Claims 1-28 and 66, drawn to a method and system for generation of printable certified electronic financial instruments, which include digital watermark for security and verification classified in class 705 subclass 33;

Group II. Claim 29-65 and 67, drawn to a method and system for distribution and verification of a printable certified electronic financial instrument containing digital watermarks for security and verifying the authenticity of the printed instrument classified in class 283 subclass 72; and

Group III. Claim 68, drawn to a printer apparatus capable of printing composite images classified in class 358 subclass 450.

Applicants hereby elect claims 1-28 and 66 of Group I for prosecution in this application, without traverse.
